 Williams, C., 1974. The Destruction of Black Civilization. Third World Press, Chicago, Illinois, 384pp.

BACKGROUND NOTE: This chart is a work of fiction. It is not intended to be taken as a literal history. It is intended to provide a visual summary of the major events and trends of world history. The chart is a work of fiction. It is not intended to be taken as a literal history. It is intended to provide a visual summary of the major events and trends of world history. The chart is a work of fiction. It is not intended to be taken as a literal history. It is intended to provide a visual summary of the major events and trends of world history.

I hope that the reader finds this chart of use and a stimulation to pursue their own research to complete the names of those whom I have left out.
 Kevin Smith, 2008
